INTERNATIONAL
EDUCATION**

FAIRMONT INTERNATIONAL ACADEMY (7th – 11th Grade)

Welcoming students from around the world, Fairmont International Academy offers a one year, multi-leveled program of intensive EPL™ (English as a Primary Language) instruction in preparation for elite college preparatory high schools within the United States. Students are exposed to optimal experiences in English language acquisition through intensive literary analysis, reading comprehension and writing. In addition, Fairmont International Academy offers a full mathematics program, as well as courses in science, social studies, American history, music, art, drama and physical education all of which provide students with the strong cognitive language preparation that is necessary to promote to the nation's top college prep schools.

The EPL™ program also includes cultural immersion activities such as American holiday celebrations and cultural excursions to best initiate students' understanding of American culture. Fairmont's Homestay Program is available to students interested in living with local American families. The majority of graduates from Fairmont's WASC-accredited International Academy program continue their high school education at Fairmont Preparatory Academy.

Countries and regions represented (2003-2010):

Bosnia	Germany	Kazakhstan	Serbia
